She's an asset to our class. Life at N.C.E. would be harder without her. She's shared our fun in—swimming parties at New Trier—super sprees at MacLeish's beach—chop suey dinners in front of her fireplace. She gives good advice. She irons out tough schedules. She helps plan for—art exhibits on the third floor—scrumptious suppers in the cafeteria—luncheon meetings announcing officers. She's equipped with a ready smile. She wears bangs and artistically designed clothes. You're right, she's Ruth Gibson. The seniors send their thanks to her for four years of service.

THANKSGIVING

In thankfulness for our bounties, traditional music and dances depicted America. Inspiration and awe grew as the panorama unfolded. All of this made us realize the strength and power behind our nation, which is at war.

CHRISTMAS

In keeping with our interests in the culture of other nations we presented a modern Spanish miracle play, "The Holy Night." Effective scenery, costumes and the loveliest of Christmas music made it an experience long to be remembered.

AMERICAN TRADITION

• Quality, Integrity and Dependability have established themselves as a definite tradition with Pontiac. We have been constantly on the alert for new and improved procedures in yearbook designing and service. Our modern precision equipment is concrete evidence of adherence to this policy. Our experienced craftsmen and servicemen are carefully supervised by experts in the field of distinctive school publications. We are proud to have played a part in the publishing of this book in the capacity of official photo engravers. Our entire personnel congratulate the staff for their splendid work and cooperation.
